

All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Jack of Hearts Person

The Sacrificial Love Card

As one of the three fixed cards, the Jack of Hearts are strong about their version of love. They are surrounded by the Christ spirit of sacrifice through love. Even though they are a Jack, which are sometimes immature and crafty, these Jack of Hearts are influenced by the wisdom of the Christ spirit, which gives them higher guidance and higher motives in general. They must watch, however, that their martyrdom does not get out of hand. They can also become escapists and misguided, but this is the exception rather than the rule.

Love is their power and birthright. They have come to love others and to show them the way by their example. They know how to love with the big heartedness of a King and once they decide that theirs is the mission of love, they do take on the yoke of responsibility admirably. They often make sacrifices in their life and their personal fulfillment may be given up for some higher cause or philosophy. As born leaders, they must be successful in their own profession. These people are fixed and guided by a strong sense of justice and duty. They can be depended on for help or to do what they have promised, unless they get caught up in the lower side of the "crafty Jack".

They all carry the Christ spirit within them and everyone they associate with are in some way uplifted by their presence. They find their greatest fulfillment on a spiritual path or by bringing the higher energies to their work and lives.

Some of the Jack of Hearts Issues Concerning Relationships

The sacrificial nature of the Jack of Hearts can work for good or ill in relationships, depending upon the person. These people have power and strength in their love natures, but a certain degree of immaturity may prove to be their undoing at times. They are usually devoted to higher ideals in love and have their own philosophy about it that no one can change. They will make sacrifices for you if they love you and you may be part of their plan to save the world.

However, in the same vein, the Jack of Hearts can use this "savior complex" to do silly things in love - things like choosing a mate that is totally unworthy or broken in order to see their love heal someone. This can result in victim/savior or co-dependent relationships that have ill consequences.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Nine of Clubs as Your Planetary Ruler

This ruling card adds a spiritual overtone to your personality, along with a desire to be of benefit to others, or the world at large. Many with this card dedicate themselves to some noble purpose. This is one of the sexiest cards in the deck and you may find that romance is a very important area of your life. Mentally, you have probably suffered many setbacks and in some cases, this could affect your outlook on life. You are kind-hearted and others may come to you for solace and a shoulder to cry on. Just don't let them take unfair advantage of your kindness. You are very protective of children and want to see them receive the highest care. You may find you are drawn to spiritual studies, since they best explain some of your feelings about life and the occasional mental 'awakenings' that you experience.

BOOK OF DESTINY

Auspicious Events Occuring at Age 61

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during

THE LIFE SPREAD

Auspicious Events Occuring at Age 61 (continued...)

years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

About The One-Year Reading for your Birth Card

Our Birth Card is the most significant card of all the cards that represent us. It is the card that we identify the most with and the one in which we 'shine forth' with the greatest brilliance. We have other cards that are symbols of us as well. These include the Planetary Ruling Card, Personality Cards and Karma Cards to some extent. However, it is the Birth Card that is first and foremost in its importance and in its ability to describe our life in great detail.

Since this report may contain the Yearly Spreads for other cards that represent you, it is important to know the difference between them and their purposes in determining what they are trying to tell you.

On the following pages are all the cards for this year that fall in the Yearly Spread for your Birth Card. Cards in the Birth Card's Yearly Spread can pertain to most any area of your life, in contrast to the Personality Card spreads which usually only pertain to certain aspects of your life. As you read these influences keep in mind that these are the primary and most important.

The Year-Long Cards Found In Your Birth Card Spread

Your Long Range Card

Your Long Range Card is perhaps the most important card of the year. It defines something or someone that will be a major focus of your attention. It is neither positive or negative, just a place where a lot of your time, energy or attention will be spent throughout the year.

Your Pluto Card

Your Pluto Card is also a very important card in the Yearly Spread. It signifies something or someone that will cause a significant change in some part of your life. It may define an area where you experience a 'mini-death' in your life, a place where you release a negative pattern to make room for a more positive way of life.

Your Result Card

Your Result Card combines with the Pluto Card to help define your big change and challenge of the year. But in addition, the Result Card will be someone or something that you will end up with by your next birthday that is a blessing in your life. It is like the gift that you will receive for all the hard work you did this year to transform yourself.

Your Environment Card

Your Environment Card represents someone or something that will act in a beneficial manner for you throughout the year. It is an area where things will come easily to you, something or someone to be grateful for. It is always a good thing regardless of what card it is. You will collect good things from this card all year long.

Your Displacement Card

Your Displacement Card usually indicates an area where you will have to pay closer attention in order to have success for this year. It can be a person or thing that requires you to give them extra energy in order for that thing or person to be a benefit in your life. It can also signify 'special' occurrences that only come in certain years of life.

About The Year-Long Influence Cards in your Birth Card's Spread

Each card in your yearly reading says something about a specific area of life. Some influence the entire year while others influence primarily a 52-day period of time. The cards above are those that influence the entire year. Because of this, they are always considered to be the most important cards of the yearly reading.

Each of these five cards has a specific function and purpose and will tell you some different and yet important things about the year this report is for. Take your time as you read their meanings as well as the text that describes their individual importance and functions.

The Emotional Power Card

The Eight of Hearts tells you that you will have considerable emotional power at your disposal this year which will bring you success in any activities that deal with groups of people such as acting, performing, or sales work. This is also an indicator of 'spiritual force' developing in you, a force that can be used to better your life. This is a card of getting out to meet people in some way and getting into the limelight. This is a great year for promoting what you believe in and spreading your message. Just be careful that you don't hurt others as you use this power for your own success.

Probably the most fun aspect of this card is how it spices up your romantic and social life. This has been called the 'playboy card' and gives a lot of charm and charisma that you can use to get just about anything you want in these important areas.

The Six of Diamonds as the Pluto Card

The Six of Diamonds is a very strong influence for the settling out of financial matters and repayment of debts. Somehow you are either dealing with these in a very big way this year or you are working on developing a definite sense of good values about your money and debts. Perhaps you are very much in debt and are facing the situation squarely and honestly, doing everything you can to meet your obligations. Or perhaps you are very restless by nature and this year you want to acquire the benefits of working consistently in one vein. Sometimes, the Six of Diamonds creates a situation whereby financial matters remain somewhat static and this can be challenging when a change is desired.

One of the greatest potentials of this card is that you could actually discover or deepen your connection to an important and meaningful purpose in your life. This card's appearance in this important spot could be the signal of the time in your life when you find something of greater meaning to stand for.

Whatever the case, you will be challenged to be successful with this Six of

However, keep your goals in sight, realizing that focus, determination and clarity of purpose build strength of mind.

No matter just how challenging your Pluto Card may be this year, this card guarantees that everything will come to a happy and satisfactory conclusion and that you will end up this year feeling solid and well organized.

Your Environment Card

The Jack of Hearts as the Environment Card

Because your Birth Card or other significator is the Jack of Hearts and does not 'move about' the Grand Solar Spreads, you don't actually have an environment card each year. Your card remains in the same position each year, neither allowing other cards to occupy your position or moving to other cards' spots either. This makes you strong-willed and sometimes stubborn and strengthens the meaning of your Birth Card, which represents 'spiritual sacrifice' and 'spiritual love'.

Your Displacement Card

You are displacing the Jack of Hearts this year.

Since your Birth Card or personal significator is the Jack of Hearts, you don't have a Displacement Card each year. You are one of the three 'fixed' cards in the deck. This makes you very strong willed and dependable and at the same time, somewhat inflexible. Sacrifice, the basic meaning of your card, is always a part of your yearly experience. It seems your higher love nature is always encouraging you to do good things to help those around you.

Indecision over love or friendship could make you ill during this period. Any love triangles that you may be involved in will be more difficult than ever. The situation at hand may be one which you created in the past and are now having to contend with. Your indecisiveness is probably at the root of it and now you may have no choice but to wait it out and see how the cards fall. This card could also mean someone you love is in poor health and taxing your peace of mind. Try not to worry so much and take care of your body until this is over.

This card can indicate chronic worry about love and about your not getting enough affection. Often it's our own indecision and refusal to stay with one relationship that threatens our security in love, which is something we all need.

The difficulties indicated by this card could be offset by a strong card in the other Saturn position, for example any of the fours, eights or tens. In any event, the other Saturn card could tell you who is involved in this potential love triangle.

The Neptune Period is usually not a good time to make any definite decisions about our future as things often appear blurred from our point of view.
